TIOT

# TIOT 1995

Norwood Senior  
High School  
Norwood, Massachusetts  
Volume 57

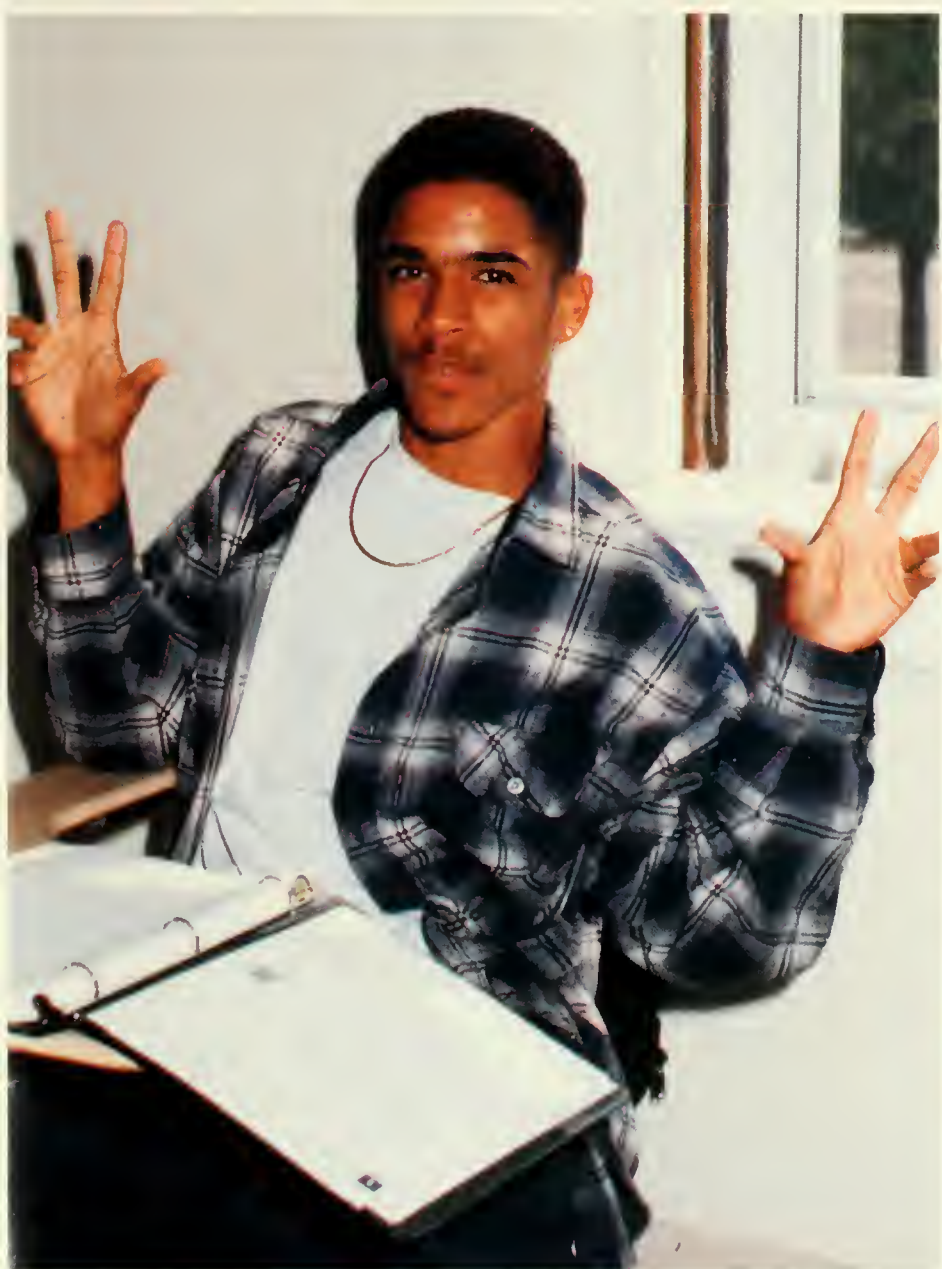

There are places I remember  
All my life, though some have changed.  
Some forever, not for better,  
Some have gone, and some remain.

All these places have their moments with friends, I still can recall  
I know I'll never lose affection for people and things that went before.

I miss the tears, I miss the laughter, I miss the day we met and all that followed after.

Sometimes I wish I could always be with you the way we use to do, all we got to do now and forever, I will always think of you.

Making your way in the world today takes everything you got, taking a break from all your worries sure would help a lot. Wouldn't you like to get away? .....

Sometimes you want to go where everybody knows your name.

# MUSTANG

# MADNESS

We had a moment, just one moment that will last beyond a dream, beyond a lifetime. We are the lucky ones, some people never get to do all we got to do. Now and forever, I will always think of you.

Friends come a dime a dozen, and I know I'll never find a friend like you

Even though we'll all move on  
We won't forget the memories.  
They'll never be gone

These are the times to remember  
'cause they will not last forever.  
These are the days to hold onto  
'cause we won't, although we'll want to.

"Am I having seconds? ... Hey, I'm on my fifth's"

"Wally at his best."

"Yes! I am truly awesome."

"Abel's true identity comes out."

"Hey, Hey, Fernando, none of that."

"Oh! I found my semi date."

"???????"

"Duhh! ... I don't know."

"You talking to me?"

# FUNNIES

"Hey, Matt, will you go to the prom with me?"

"No! You cannot have my salad."

"How Alyssa open's her locker"

"NHS bomb scare"

"Hey baby what's happening."

# Dedication

The Class of 1995 proudly dedicates this edition of the TIOT to Mr. Michael F. Gallahue, a long-term Vice-Principal who retired this year.

Mr. Gallahue is a graduate of Marquette University and came to Norwood in 1964. After teaching at Norwood Junior High School, he arrived at Norwood High in 1966. While teaching American Government and United States History, he also coached cross-country and track teams.

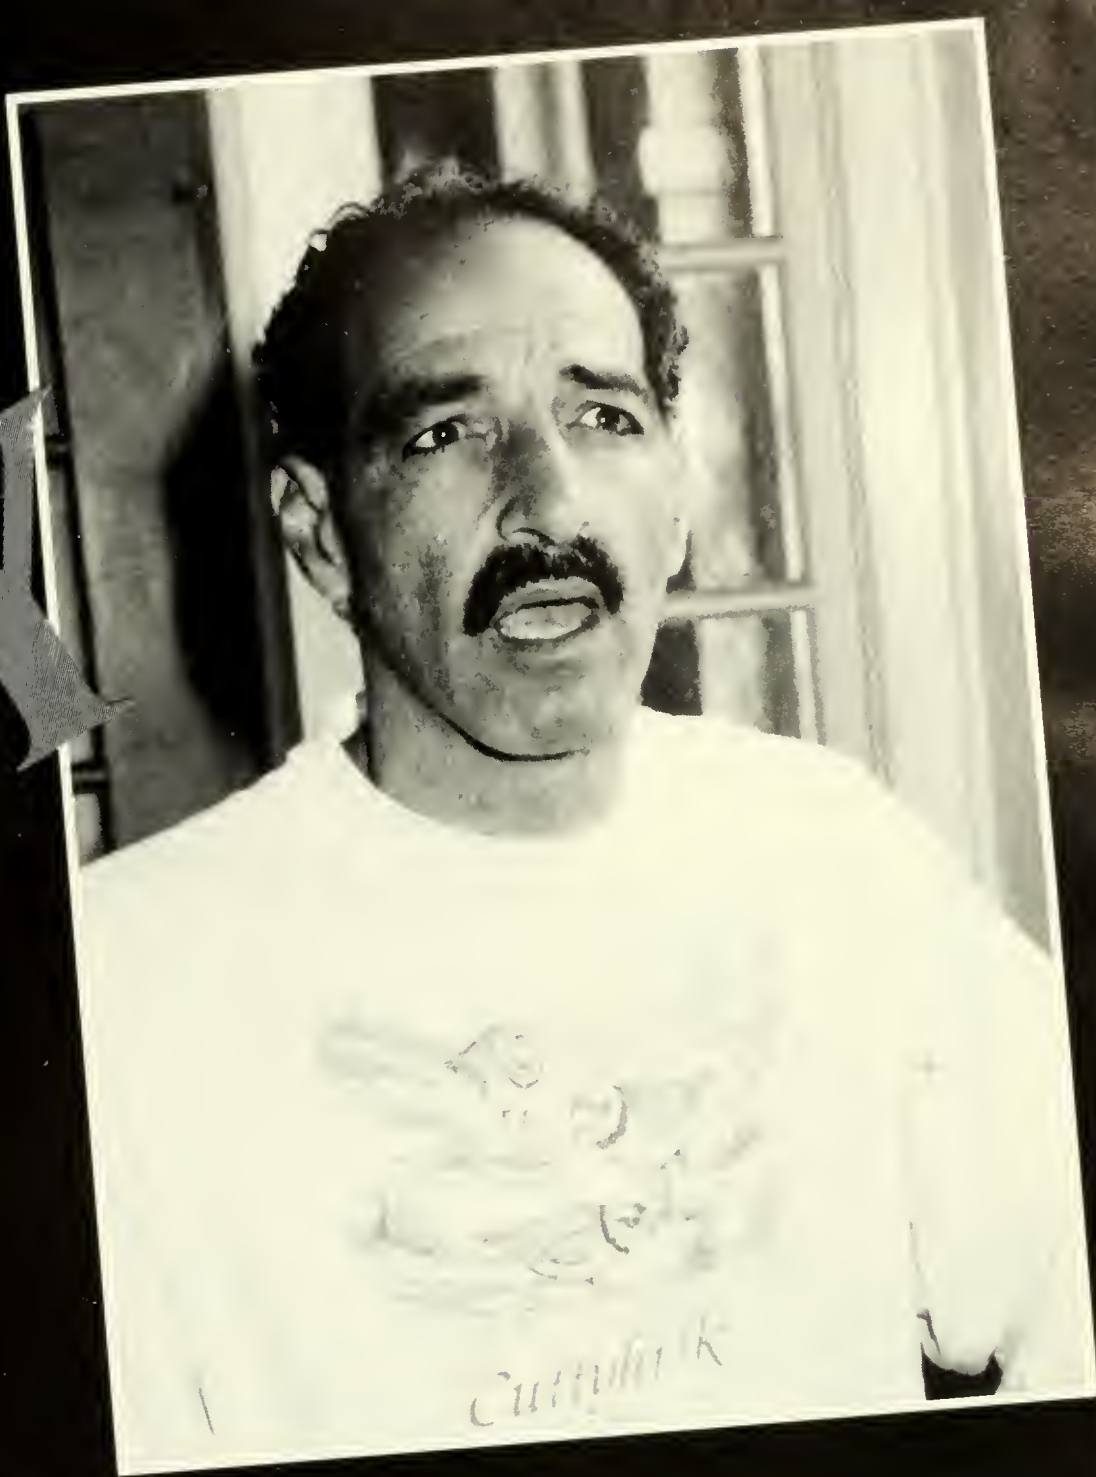

In 1971, Mr. Gallahue was appointed Vice-Principal. He held this job for twenty-four years, working through many challenges, including "open-campus," new student scheduling methods, declining enrollments, and the Educational Reform Act of 1993. Throughout this period, he was known for his commitment to the students he had to discipline and attention to detail in day-to-day operation of the school.

The Class of 1995 joins with many previous classes in wishing Mr. Gallahue the best of luck and much success in life's new challenges.

# In Loving Memory Of Stacey M. Lally 1977-1993

Thinking back, Stacey you were one of the best friends we would ever have. It's been almost two years now, and we still miss you the same as the day you left us. You made us laugh and brought us happiness. Stacey, it is too late for you now. You were a great person. We wish people could remember you for who you were, and not for who you weren't. You had many qualities that we have found in no one else. Now you are in a better place. Just remember this-WE LOVE YOU AND MISS YOU ALWAYS. God bless.

I want to thank everyone for being a part of my life. I know that from now on, I will carry the memories of this year with me always. I have shared incredible experiences with you and have come to know places that I'll never forget. And although getting used to you and your world was difficult, it was worth it! I'll never forget the kids in my Spanish 5 class, and how they arranged a date for me within hours of the Semiformal!

Wendy Solis

My name is Ann Fjodorova, but many of you know as the "Russian exchange student". I don't know why, but no one here can pronounce my last name right. In Russia it is a very common name. I'm from Siberia, one of the largest parts of Russia, and yes it is very cold there. I'm from a small town called Kolpashevo. Many years ago it used to be a place of exile, but now it is a town about the size of Norwood. Some people ask me if we have electricity and T.V.'s. Of course! We have most of the things you have here, and kids have very similar interests. I was very glad that I got the opportunity to be an exchange student and come to America.

# Renaissance

The annual Renaissance Holiday Banquet was held on December 16 at Demetri's Convention Center in Foxboro.

Always a festive occasion, this year's banquet proved no exception with fantastic singing provided by the Madrigal Choir and special guest, Alexander, King of Jesters.

The Banquet, set in historic Olde England at the time of King Henry VIII, revolves around the customs and manners of the late Renaissance period.

The Madrigals, especially the departing seniors, would like to thank Mrs. Moen for all her hard work and dedication in making this one of the most enjoyable and memorable Madrigal choirs.

# Banquet

# Vocal

The Madrigal Choir is a select group of the high school's finest vocalists. The Madrigals meet five times per week and is a major course subject of the NHS curriculum. This year the Madrigals consisted of seniors, juniors, and sophomores, who performed at many functions for the high school community. Some of those performances included: the Tree Lighting Ceremony on the Common, "Friends of St. Nick" at Concannons Village, St. Timothy's Women's Guild, the annual Spring and Winter Holidays Concerts, the ACDA and MICA competitions, Pops Night at the Jr. High School, and the annual Renaissance Banquet at Demetri's.

This year was new and exciting under the guided leadership of our new choral director, Mrs. Catherine Connor-Moen. She carried on the tradition of the vocal excellence Norwood has been noted for and she will be greatly missed by all the departing seniors. The senior members of the group would like to wish Mrs. Moen and next year's group the best of luck and continued success.

The Jazz Choir is a choral group that consists of students of all ages and grades at the high school. They perform various forms of jazz, from the early stages of its beginning to music we all know today.

The Jazz Choir is an extracurricular ensemble that meets two days a week after school to rehearse and practice. It takes a high level of commitment and sacrifice to perform in the Jazz Choir, but it is well worth it considering the ongoing success they have experienced in jazz competitions and festivals throughout the New England area.

Of all the choral groups at the high school, the Concert Chorale is by far the largest. Although it has almost 40 members, it is still a very select group. At the end of every school year, tryouts are held for students in all grades for induction into the Concert Chorale. The class meets every day in which every different type of music is explored in many different foreign languages including French, Latin, Italian, and Russian besides English.

Each year the Concert Chorale performs in highly competitive statewide competitions such as the ACDA Festival at Northfield Mt. Hermon and the MICA Festival at Algonquin Regional High School. In past years the Concert Chorale has shown their talent and ability, bringing home many gold medals to the display case. This year proves no exception as the Concert Chorale strives for another rewarding, award-winning season.

The Men's and Women's Chamber Choir are beginning level groups at the high school for those students just starting to gain interest in vocal music. Although usually consisting of freshman, even upper class students must go through this learning process at one time or another.

The Chamber Choirs meet three times a week and learn music that although is not as challenging as the more select groups, is above the level of most young choral ensembles. Each year, the Chamber Choirs perform in the annual Winter Holidays Concert, the Spring Choral Concert, and at the end of the year Pops Night at the Jr. High.

## Instrumental Groups:

After last year's "clean sweep" at the All-American Music Festival in Orlando, Florida, the instrumental groups are again looking forward to a challenging and successful competitive season going into 1995. Under the guidance of Director of Music, Paul Alberta, and new high school instrumental director Kevin Plouffe, it shouldn't be too hard to keep the tradition of excellence alive and well.

The Marching Band took a year off from serious competition, but they didn't let down their sense of commitment or level of performance. By taking advantage of the new direction, they were able to play at music festivals in Somerset and Abington, as well as participate in the Fall Foliage Parade held in the Berkshires last fall. In addition, the Jazz Ensemble is now within reach of winning a gold medal rating in the IAJE district festival for its twentieth year. They've performed at such prestigious events as the State Jazz Competition, the UNH Regional Jazz Festival, and the Esplanade.

The orchestra and combined Symphony and Concert Band groups give numerous performances throughout the year, as well as competing in the MICA state evaluation contest, and nearly all of the groups will perform in the spring at the Pops concert. Finally, the culmination of this year will be the premiere of a piece specifically commissioned for Norwood High School by Tom Duffy, composer and Director of Bands at Yale University.

### Regional Music Festivals ...

Besides being active in the high school music groups, many students at Norwood High have been recognized for their abilities at a regional level. The MA Southeast District Festival, sponsored by the Massachusetts Music Educators Association, runs auditions every year at both junior (grades 7-9) and senior (grades 9-12) levels. Acceptance into these vocal and instrumental groups is very selective. If a student scores high enough, he or she is recommended to audition for the MA All-State Festival, comprised of the most talented high school musicians from across the state. Sophomores and juniors who score exceptionally well at the All-State auditions are recommended to apply to the All-Eastern Festival, sponsored by the Music Educators National Conference. Admittance into this festival is extremely intense and competitive, as it is made up of the finest young performers on the East Coast of the United States.

Southeast Senior District Festival: Lyndsay Rapp, Christina Eosco, Kay Caniff. (All-State Recommendations: Kay Caniff, Christina Eosco.)

This dance raised nearly \$1000 to set up a scholarship fund for Tommy Heinze, a member of the class of 1998 who died in a tragic accident. Other events included the gifts for the elderly, the candy cane drive, the food pantry drive, and dances benefiting the Kevin McNulty Scholarship. This year's officers would like to thank Mr. Powell for his tireless dedication and hard work. The officers would also like to thank all of this year's members who made it the largest Student Council ever.

Mrs. Rielley, Ms. Kenney, and Mrs. Loftus have been caring and helpful advisors to the program. The Companionship Program has resulted in wonderful and lasting friendships, between the high school and first graders. Next year's upperclassmen are encouraged to join and help make a difference in the lives of children.

The Alliance Against Discrimination, run by Dr. Alice Axelrod, is an important organization which brings together people of different races, ethnic backgrounds, and genders, to talk about many topics of discrimination. We have made bulletin boards on the walls, hung up posters, published a monthly newsletter, and shown movies. One of the most important ways to help stop discrimination would be our day long workshops, when we all get together for the whole day and share our feelings and experiences. The Alliance may not stop discrimination totally, but it is a good start.

The Committee is also given suggestions and comments from the students perspective. This gives the Committee a better idea of what the student's opinions are, and what their needs are.

Mr. Donald W. Wheeler graduated from Norwood Senior High School in 1952. He enrolled at Springfield College where he majored in physical education. Following graduation he entered the United States Marine Corps where he served for three years and four months.

In 1961 Mr. Wheeler was employed by the Norwood Public Schools, and taught at the Norwood Junior High School and later at Norwood Senior High School as a science teacher. In 1961 Mr. Wheeler was appointed freshman hockey coach, and in 1962, varsity hockey coach, where he established a program that was second to none. His teams were perennial powers in the Bay State League and made many appearances in Boston Garden as an Eastern Massachusetts finalist. In 1972 his team captured the state title.

In the classroom Mr. Wheeler ran well-organized, disciplined classes for thirty-four years in the science department. He will be remembered for teaching all levels of classes with the same attention to detail and concern for the individual student.

We wish Mr. Wheeler many long, happy years of retirement. In looking back, he should feel proud that many former players still respectfully refer to him as "the coach."

The TIOT editorial staff wishes to take this opportunity to honor two long-serving members of the Norwood High School faculty who have retired from the system. Each of these individuals has left his mark after many years of dedicated service. We join the masses that have gone before us in thanking these two who met the day-to-day challenges for a collective sixty-nine years of teaching and coaching.

Mr. Arthur M. Gulla graduated from Norwood Senior High School in 1949. He had distinguished himself as an outstanding athlete. Following graduation, he enrolled at Georgetown University where he played varsity football and baseball. In 1960, Mr. Gulla was appointed as a teacher at Norwood Senior High School where he taught history and physical education. Mr. Gulla was appointed head varsity football coach in 1961, and continued in that capacity until 1971. In 1972 the Norwood School Committee appointed him to the position of "Director of Athletics." During his stewardship he has supervised and developed athletic programs to a level that few communities can match. In supervising an ever-changing athletic department, Mr. Gulla has faced many challenges, dealing with each with dedication and attention to detail. By any standard with which some may judge an athletic director's record, whether it be number of participants or teams, the overall won-loss percentages or number of championships teams, Mr. Gulla has an outstanding record. Yet he seemed to use a different measure, always giving the most attention to the individual student-athlete; thousands have benefited from the athletic program during his twenty three years.

We wish Mr. Gulla a happy and fruitful retirement, and know that he will continue to appear at rinks, fields, and tracks as a fan of Norwood High athletics.

## FOREVER FRIENDS

Memories in my mind  
of how we met;  
The dreams we've shared,  
don't ever forget.

We've become so close —  
we were friends from the start;  
I know that feeling  
will never part.

Those troubled times  
you've helped me through;  
You always knew  
just what to do.

Don't keep your feelings  
locked inside;  
Friends shouldn't  
have anything to hide.

I don't know what I'd do  
without all of your around;  
Because in you,  
true friends I've found.

I can tell you my deepest  
secrets, thoughts, and fears;  
I've shared with you many  
smiles, laughs, jokes and some tears.

No matter what you  
have been told,  
We cannot tell  
what the future will hold.

I know I can  
never forget the past.  
And can only hope our  
friendship will *always* last!

Graduation is not so much the end of the road as it is the commencement of the undiscovered. School up to now has been like a security blanket, but we can't hold on to it forever. I suppose we never really know what's going to happen. Life will always be throwing us curve balls of opportunities; it's up to the individual to decide whether to take a swing at them or strike out.

Led by captains Michael Pedrol, Christian Saulnier, and Keith Eppich, this year's team struggled through a tough Bay State League. Although only being 3-7, the football team had many accomplishments. Jamie Mahoney rushed for 1,000 yards this season. This was a goal accomplished by the workhorse style of running by Jamie, and the determination of his blocking teammates. Michael Pedrol was awarded the team's Most Valuable Player for his hard work on both sides of the ball.

The team proved its toughness by never giving up and they were never taken lightly by opposing teams. This year's captains would like to thank the team for giving their all every day and they should be proud of themselves.

After the season, the team not only lost the senior class, but head coach Joseph Smith as well. Coach Smith was a great man to play for. He saw to it that you maximized your potential on and off the field. There was no denying he truly loved his players. Coach Smith

In post season play, Norwood defeated long time foe, Bridgewater-Raynham 3-1 before succumbing to Dorchester 2-1 in a heartbreaking loss in the quarterfinals the tournament. Robyn Gawlak became Norwood's all-time scoring leader with 59 goals (previous record held by Kate Foley) and Kerry Lyons broke Alison Mahan's (Foley's teammate) all-time assist record with 17. Laura Sheehan, Jen Gillis, Jen Connors joined Gawlak (MVP-Carey Division) and Lyons on the 1994 Bay State League all-star team.

This year, the Norwood Girls' Soccer team hung tough in a rebuilding season with the highlight of the year being a 4-0 victory over Brookline. Another high point in the year was the return of former coach, Pat Sweeney, who took over the coaching reins in mid-season and led the team to a much improved second half of the year. The young Stangs' were captained by Christi Harris and Amanda Hark who led a determined, hardworking group of athletes. These girls found victory hard to come by but whose effort and intensity was second to none. Harris, Hark, and junior Leigh Tohosky represented the Mustangs' in the B.S.C. All-Star game.

The Mustangs opened the season at home against Newton South. Unfortunately, they lose by a narrow margin, due to forfeiting the 103 and heavy weight classes. Although they lost the first few matches, it was apparent that the Mustangs were not going to role over for anyone. This proved true at the King Philip Tournament where bob Parks placed 4th and Captain Jamie Mahoney became champion. Also freshman Scott Clinton and sophomore Dan King proved to be a strong part of team. Later in the season the Stangs had a good showing at the BSL Tournament. Bob Parks & Jamie Mahoney both finished with a strong 3rd, and our new heavyweight Paul Lindsey took 4th. By the end of the season the Mustangs rallied to win matches against Milton and Framingham, leaving them with an overall record of 2 - 10. When it came time for the sectionals, the Mustangs had shown great improvement. Mahoney and Parks were crowned Sectional Champs. Matt Mallin and Chris Karalidis also would move on to the State Tourney as alternates.

## Firefighter's Prayer

by James J. Metcalfe

When I am called to duty, God ... Wherever flames may rage ...  
Give me the strength to save some life ... Whatever be its age ...  
Help me embrace a little child ... Before it is too late ... Or  
save an older person from ... The horror of that fate ... Enable  
me to be alert ... And hear the weakest shout ... And quickly  
and efficiently ... To put the fire out ... I want to fill my calling  
and ... To give the best in me ... To guard my every neighbor  
and ... protect his property ... And if according to my fate ... I  
am to lose my life ... Please bless with Your protecting hand ...  
My children and my wife.

Oh Almighty God, whose great power and eternal wisdom embraces the universe. Watch over all policemen and law enforcement officers.

Protect them from harm in the performance of their duty to stop crime, robberies, riot and violence. We pray, help them keep our streets and homes safe by day and night.

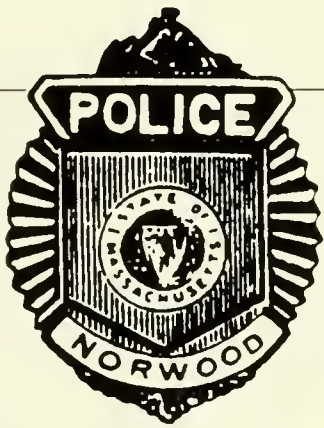

We recommend them to your loving care because their duty is dangerous. Grant them your unending strength and courage in their daily assignments. Dear God, protect these brave men, grant them your almighty protection. Unite them safely with their families after duty has ended.

Amen

Wasn't it yesterday,  
When we first started school?  
Running around the playground,  
Laughing and screaming like fools.  
And wasn't it yesterday,  
When we graduated from sixth grade?  
We moved on to a bigger school,  
And one of the first steps was made  
Wasn't it yesterday,  
When we were in the halls of junior high?  
Going to our first dance,  
Never thinking about saying good-by.

And wasn't it yesterday,  
When our first day of high school came?  
Pep rallies, football games, parties, and proms,  
Part of our lives will never be the same.  
And now the time has come,  
The day is finally here.  
Although we thought it would never come,  
We are leaving our senior year.  
And maybe sometime, looking back ...  
We will all laugh and say,  
"Remember high school?  
It seems like only yesterday."

## Girls Defeated

This year's Girl's Outdoor Track team finished the season with a record of 5 — 2. They were led by Co-Captains Meg Drummey and Kim Freeman. Although, the girls were unable to capture a league title, they did manage to defeat longtime rivals Wapole, Dedham, and Needham. In regular season meets, freshman Jen Hall went undefeated in the 200m dash, and sophomore Heather O'Rourke captured the school record in the 100m Hurdles. At the Class "B" meet, the 4x100 m relay team placed fifth, and qualified for the State meet. This year's graduating seniors would like to wish next year's team the Best of Luck.

This Spring, the boys blew away every team they faced. No team came within 50 points of the dominating Mustangs. The Stangs went, 7-0 in the Bay State League and averaged 100 points in dual meets. The key to success for the boys was depth. The points came from the seniors and kept coming from the freshman. Standout performances were from the 4x100 relay team: Christian Saulnier, Jerome Johnson, Tyrone Wilson and Ben Myers, which ran at warp speed for a league best, 43.7 seconds: .1 of second off the school record. Tyrone Wilson in the long and high jump, Joe Mancinelli in the discus who remained undefeated, Christian Saulnier in the javelin who held the league record throughout the dual meet season, Jeff Mulroy in the 800, Jason Owens in the triple jump, Jaime Rogers in the hurdles, and Tim Flynn in the shotput.

The boys credit their success to strong coaching from Coaches Forrest, Maguire, and John Glennon.

Although coming up just one match shy of reaching the state tournament, The 1995 Boys Tennis Team, led by senior co-capt. and M.V.P. Matt Killion and Senior co-capt. Mike Clark, stood tall in the unbelievably competitive Bay State League. With memorable victories over perennial powerhouses Framingham and Walpole, highlighted by the historical defeat of defending champion Newton North, the '95 squad maintained the respect of teams and coaches around the league. The five departing seniors would like to thank Coach Immonen for the past four years and wish him luck in the rebuilding seasons to come.

Go To The Net!

Led by captains Catherine Jones and Jen Gillis, the 1995 Girls' Tennis Team held their own and constantly posed a threat to Bay State competitors. Unfortunately, several of their hard-fought matches ended in 2-3 losses, and as a result the Mustangs finished with a record of 6-10. However, the final standings do not fairly reflect the team's talent or spirit.

At first doubles, Seniors Catherine Jones and Jen Gillis dominated in the Carey Division with a record of 12-4. With aggressive play by Jones, and well placed shots by Gillis, the twosome were a winning combination, and qualified for the semifinals in the state tournament. Both Jones and Gillis were named MVP of the team. At first singles, Junior Emma Ryan was a strong competitor who defeated her opponents by her experience and finesse. Senior Robyn Gawlak used her quickness and endurance to frustrate several Bay State foes in the second singles position. Playing most of her matches at third singles, Junior Erin Myers won many of her matches through consistency and smart strategy. Finally, at second doubles, Senior Jamie Cortas teamed up with Junior Diane Potts, and together they complimented each other by their different styles of play. The duo won many points on Cortas' powerful serve and Potts' consistent play and determination.

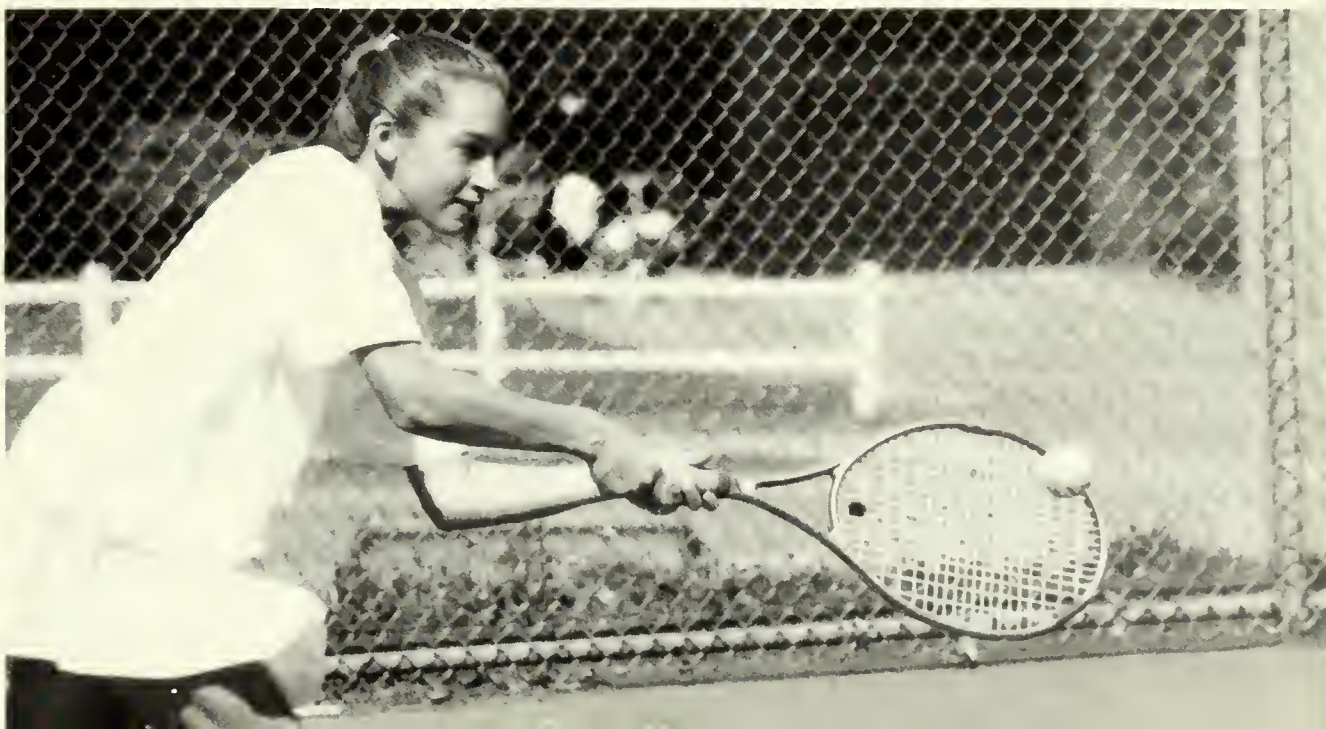

The team would like to thank Coach Levine for her dedication, encouragement and positive attitude. The Seniors would also like to wish next year's team the best of luck and carry on the tradition of "Crazy Tennis."

## Advance In State Tournament

The 1995 Girls' Softball Team, led by tri-captains Christi Harris, Shanna Denehy and Kerry Lyons, captured the Carey Division Championship. With most of the positions being filled by new players, the girls' hard work and determination brought them together as a team. They ran by their Bay State League foes compiling an outstanding record of 17-3. Their only losses were to Natick and twice to Walpole all with close scores: 5-3, 3-2 and 3-2 respectively. Shanna Denehy (Team MVP), Brooke Brady and Kouri Ferris were first team all-stars and joining them were playing all-stars, Kim Wilson and Sue Polechronis. The Mustangs once again qualified for the State Tournament. Although being seeded fourth, they were defeated in the first round by Durfee. This year's team was very special and will always be remembered.

The team would like to thank Coach Kathy Smelstor for all of her hard work throughout the season; she was always there for us. We appreciate it and love you Smel!

The Stangs were also well represented among the elite in the league, as seniors Brian Houle and Abel Jimenez, were selected as Bay State League All-Stars.
